Frank Heath and family came
down from the hill country for the
holidays. The price of Mohair is
threatening to put Mr. Heath in the
millionaire class. Mr. Heath says
conditions in the Leahey section are
ideal and he has nothing to complain
of.

Even the railroad must have taken
a holiday the past week as there was
a big drop in car load shipments.
Outbound shipments consisted of
only four loads, as follows: 2 cars
of hay and 2 of corn; inbound ship-
ments, 1 car of coal, 1 of gasoline, 2
of lumber and 1 of oil.

There is a dirth of rent houses in
Hondo, and anyone having idle cap-

a few neat cottages for rent. There
are parties right now desirous of mov-
ing to the town who are unable to do
so on account of not being able to
procure desirable quarters.

Mr. and Mrs. G. W. Muennink, Mr.
and Mrs. John Muennink, Mrs. Fritz
and Mrs. Mimke Muennink and Mr.
John Shoop attended the funeral of
Mrs. Franz Rieden in San Antonio
Thursday. Deceased was a native of
Medina county, being a sister of
Messrs George and John Muennink
but had long made her home in San
Antonio. She left many friends of
by gone days in this section who are
grieved over her passing.

Nearly every imaginable thing
finds its way into the express office,
for transportation, but it is probable
the local office handled its first and
last shipment this week of a new item
of freight a box of rocks without
metaline value. These rocks went to
Mr. Collier's daughter-in-law at Alex-
andria, La. and will be a greatly ap-
preciated Christmas present. While
visiting here recently she picked up
every stone that was in the least out
of the ordinary in either shape or
color. While visiting up in the hill
country recently Mr. Colliers gather-
ed quite a collection of honey comb
rock and forwarded it to her. Rocks
are as scarce as was the change left
in Mr. Collier's purse after paying the
express charges.

Frank Heath and family were down
from Leahey for the holidays and
while here Mr. Heath joined Farm-
ing's growing list of readers. Mr.
Heath is making good in the goat busi-
ness up in the hill country, and says
prospects are very encouraging for
the growers of mohair.

The Gaines family had a reunion
during the holidays. Mr. and Mrs.
Arthur Wiede of Lockhart, and Mr.
and Mrs. Joe English and Master Joe,
Jr., and Mr. and Mrs. George Kell-
ums and baby girl being here from
Kelly Field. The gentlemen spent
their time in the chaparral in quest
of game, their efforts being rewarded
by the bringing down of an 8-point
buck.

Medina county has a real Oil well—
a real producer. County Clerk Jung-
man Mrs. Jungman, and the pairne
visited the well on the Jungman tract
on the Chicon Tuesday, and witness-
ed the pumping out of seven barrels,
and when they left the oil was still
coming freely. Of course he had no
means of arriving at the full capacity
of the well neither was he informed
as to whether or not well had been
washed, but all indications point to
the Chicon territory as the first to
bring in a real well.

One of our staid old citizens came
near taking a ride Monday night with-
out first going through the formality
of procuring a ticket. His act re-
minds us of a boy who will jump on a
vehicle to ride a mile and walk back
and that is just what our staid old
citizen did. He assisted a lady on
the train but instead of getting off
lingered until the train started. Then
he got busy and appeals to the train
crew finally were successful and he
was allowed to get off. However
he got a considerable ride even if he
did have to "hoof it back."

Petitions are being circulated
throughout the entire county request-
ing the commissioners court to call
a hog law election. A decision by
the county Judge recently held the
present law invalid hence the neces-
sity, for a new election to determine
the matter. There is a division of
opinion among the legal fraternity as
to the Status of the present law, and
there seems no other way to arrive
at a decision other than submitting it
to a vote of the people. Of course
considerable time will elapse before
the holding of the election.

The oft repeated assertion that
"this is no fruit country" is about as
often proved fallacious by those who
have the energy to try. Semi-trop-
ical fruit such as the orange, the wise
but short on energy guys would tell
you would be an impossibility, but
Mr. Tom McCall's experience with
that fruit again contradicts their
statements. Mr. McCall's orange tree,
to our Knowledge has yielded three
bounteous crops, it bearing this year
about eighty as pretty oranges as one
would care to see. This tree is given
no particular attention, standing in
his yard, with slight if any protection
from cold. If a stranger should ask
you if one can raise fruit here, before
answering it would be well to inquire
as to his energy. If assumed that im-
portant quality is abundant, answer
him in the affirmative; if convinced
that it is lacking, answer him in the
negative.

Charlie, the little six-year old son
of Mr. and Mrs. A. Pichot, is entitled
to a Carnegie medal if presence of
mind and courage at a critical time
is to receive recognition. On Dec-
ember 18th, while the adult members
of the family were outside of the
house Charlie and his little 2-year-old
sister, Adelle, had been left playing
around the fire in the house, little
Adelle, by mischance, fell in the fire.
Charlie, realizing that he had no time
to call assistance, grabbed and drag-
ged her to safety, and undoubtedly to
his presence of mind and courage his
little sister owes her life. As it was,
the right forearm and hand of the
little girl was cruelly burned but her
physician thinks that owing to her
youth she will suffer no permanent
injury and will escape with but slight
if any disfiguration. Considering
the boy's age the act is regarded as a
most remarkable one and stamps him
as the stuff out of which heroes are
made.

The accident occurred while the troop was proceeding through the Presidio forest on orders to return to their station at the Presidio of Monterey. Urging his own mount down the precipitous bank Captain Rogers dashed to the rescue at his own peril and picked the trooper up forty feet below the brink of the cliff. After Love had been placed in the hospital, Captain Rogers resumed his command. Troop G will march by way of San Jose, Santa Clara, Los Gatos and Watsonville, with instructions to conduct "monkey drills" enroute in the interest of recruiting for the Eleventh Cavalry. "Built Me Up"

"I USED Cardui for years and it did me more good than any medicine I ever used," writes Mrs. M. C. Ragsdale, of Fort Towson, Okla. "I used to suffer with womanly trouble that weakened me until I was a mere shadow, nervous, and could not sleep. I did not feel like I could live. It seemed that nothing helped me till I heard of Cardui and began to use it. It strengthened me and, as 'twas recommended to do, it regulated and built me up till I was like another woman. If you are weak, run-down and feel that you need a tonic, take Cardui, the woman's tonic, the tonic about which you have always heard, the tonic that helps weak women regain their strength. Cardui acts on the womanly system and helps relieve pain and discomfort due to female ailments. Try Cardui, today, for your trouble."

FUNDAMENTAL REVELATION in DRAMATIC SYMBOL.

By Rev. J. T. Horger.

XI.

Noah's Three Sons.

This will be our fifth chapter on this most wonderful symbolic drama ever ordained of God and wrought out by the children of men.

The reader will be patient while we again state the BACKGROUND and FUNDAMENTAL PRINCIPLES of salvation as revealed in the word of God, which is the climax axiom of all spiritual truth.

According to the scriptures the FIRST principle of the Christian religion is a triune God, FATHER and SON and HOLY GHOST. The SECOND principle is a triune manhood—with a BODY, MIND and SPIRIT. The THIRD principle is the revealed plan of salvation through a triune of dispensations, consisting of that of the Father, from Adam to Christ; and that of the Son, from the coming of Christ to the day of Pentecost, fifty days after the resurrection of Christ; and that of the Holy Ghost from said Pentecost to the end of time.

Now, we are ready to emphasize the fact that every soul that has, or ever will be saved, must individually pass through THREE dispensations, by way of personal experience, which correspond to, and are in perfect harmony with, the aforesaid triune Godhead, and triune manhood, and the triune unfolding of revelation upon the Church as a whole, from Adam to the end of time.

In order to typify, illustrate and demonstrate these great and fundamental principles, God has given us quite a number of symbolic trios in scripture, to which I am trying to call your attention, that you may take them up and study them for yourself in the light of scriptural truth, and thus be able to realize that indeed there are THREE dispensations, one unconverted and one regenerated and one sanctified state, or condition of soul, that stands between everyone born into this world, and the pearly gates of the eternal city. And that you, by a careful study of the present condition of your own soul's progress in Divine life, may be able to determine just how far in the Divine program you have gone, and what spiritual condition your soul is in today.

I will further say that for many years I have observed that the theological world, so far as I have learned, have overlooked and ignored the majority of these trio dramatic symbols in the Old Testament scriptures, and the plain teaching of the same fundamental principles in the New Testament, in the light of which I am interpreting these symbols—and that the overlook and failure to clearly teach and fully preach these fundamental truths has caused the people to fail to understand the program which God has given to lead the soul unto the riches of the promised inheritance of the true believer and faithful follower of Jesus Christ.

And as a natural consequence of failing to comprehend and grasp this TRIO program of salvation, the churches in general (I write this in all kindness and God-inspired faithfulness to your souls) are today in the sad and awful fix of the Laodicean church spoken of in Rev. 3: 16-17, as follows: "So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth. Because thou sayest I am rich and increased with goods, and have need of nothing; and knowest not that thou art WRETCHED, and MISERABLE, and POOR and BLIND and NAKED."

What a spectacle before the eyes of a gainsaying, criticizing, ridiculing world! Just think! A spiritual woman, the bride and beloved wife of Jesus Christ, out before the public gaze—WRETCHED, MISERABLE, POOR, BLIND and NAKED!

The above condition is awful to reflect upon. But the worst features of this church was that she did not KNOW of her disgraceful condition,

and felt no need of anything.

Now, brethren, I verily believe that the above is a true picture of the spiritual condition of ninety per cent of the members that constitute the various churches throughout our so-called Christian land; to say nothing of the almost countless numbers within our Christian civilization who belong to no church, and make no profession, nor make any effort for salvation at all.

Now, what is the cause of this cold and lifeless condition of the churches and the careless, indifferent and hard-hearted condition of the unsaved?

I dare say that the LACK of proper teaching and leadership as to the God-given program of salvation and the lack of experience according to the program is responsible for the greater part of this sad and awful condition of our churches, and the unsaved among whom we dwell.

Therefore, dearly beloved, I am doing my very best to get your mind's eye centered on these God-given symbols and other plain statements in both Old and New Testaments, which plainly reveal and teach that there are THREE dispensations to be passed through in order to the salvation ordained of God in Christ Jesus for your immortal soul.

In my four other articles on the typology of Ham, Shem and Japheth, I have endeavored to hold up to light Ham and his posterity as representing the unconverted, unsaved and wicked part of the human race; that is, the carnal mind, let it be found in our own hearts or in the hearts of others, or manifest in and through the devil or other wicked spirits. I have endeavored to show that sin, no matter where, or in whom found, is represented throughout the Old Testament dramatic symbols by Ham and his descendants, especially Canaan, the youngest son of Ham, and his children. And then I have endeavored to show in like manner Shem and his posterity, especially the offspring of Abraham, Isaac and Jacob, in the Old Testament dramatic symbols, have represented the regenerate nature planted in the heart by the Holy Ghost in the new birth, as it is manifested in the children of God.

And, just as St. Paul says, that the flesh (carnal mind) lusteth against the spirit, (regenerate nature), and the spirit against the flesh; and just as the New Testament teaches that the regenerate nature is called a NEW CREATION and that the fallen, sinful nature is called the "old man," and that the "old man" is to be brought into subjection by the new-born nature, which is Christ within. Even so there were always conflicts and wars between the Hamites and the Shemites until the Shemites, that is, the Israelites who were the offspring of Abraham, Isaac and Jacob, who were descendants of Shem, had entered Canaan and overcome and dispossessed the Canaanites, who were descendants of Ham, of their lands and other property.

Thus God in a long-protracted struggle between these two great tribes or nations, set forth in dramatic symbol the struggle and warfare between the new-born nature of the child of God and the carnal mind within the same heart—also the world, the flesh and the devil, as strong allies of the carnal mind, unite for the overthrow and defeat of the heaven-born child of God in the development of a strong Christ-like character.

And now let us note that the Hamites and the Shemites were in a constant strife and warfare between themselves, off and on, until the coming of Jesus Christ, who's dispensation upon the Church, as a whole, corresponds to the period of the regenerate state of an individual; which dispensation on the part of Christ to the Church ended by the crucifixion of His mortal body on the cross; just as the Son's dispensation, that is, the state of regeneration is ordained to end, by the crucifixion and death of the carnal mind, which is the remains of sin in the heart of the regenerate by the baptism of the Holy Ghost and fire.

But what we were aiming to bring before your minds is that in this greatest and most extensive symbolic drama of Noah's three sons and their offspring is that the contention and fight between the Hamites, types of sin and sinful character, on the one hand, and the Shemites, types of the spirit of Christ in the heart of the regenerate, the spirit-born children of God, continued more or less until Christ came and wrought out His dispensation upon the Church as a whole; and was crucified dead, buried, rose, and ascended to the Father and poured upon the little church of about one hundred and twenty the baptism of the Holy Ghost and fire; thus purging out the "carnal mind," the "old man," the "body of death," and filled them with perfect love. Thus they, as a representative body of the Church as a whole, passed from the Son's dispensation into the dispensation of the Holy Ghost. Also we note that as individuals it is said that this peculiar sanctifying grace came upon EACH of them; therefore, it is evident that each of them received their individual pentecostal baptism, by which they passed into the dispensation of the Holy Ghost and were made WHITER THAN SNOW by the peculiar grace which David prayed for in Ps. 51:7.

Up to this time, as before stated, the Hamites and Shemites had been in one long and protracted struggle against each other, representing the "flesh (carnal mind) lusteth against the spirit and the spirit against the flesh."—Gal. 5:17. Also read the 7th chapter of Rom.

But up to this time Japheth, the younger son of Noah, and his posterity, the pure Caucasian WHITE man of Europe, the God-ordained type of the sanctified soul, when sanctified by the baptism of the Holy Spirit and fire, the ONLY MEANS OR MEASURE of grace that will absolutely purify the soul until it is whiter than the snow, which is the only qualification that will perfectly prepare one for service here, and for Heaven hereafter, for, without holiness no man shall see the Lord—see Heb. 12:14. I repeat, that up to this time, the day of Pentecost, the children of Japheth had taken no part in the great fundamental program of salvation, as illustrated throughout the Old Testament scriptures; but when the Holy Ghost dispensation that washes and cleanses WHITER THAN THE SNOW came in, then it was that the descendants of Japheth, known as part of the gentile world, with their beautiful WHITE skin and FAIR complexion, God's ordained types of the character wrought by the pentecostal baptism of the Holy Ghost, which, from that time became the common inheritance and gracious privilege of every spirit-born child of God—then it was that the offspring of Japheth came into the Church and soon became the leading propagators of the gospel under this the THIRD and last dispensation, that is, the Holy Ghost dispensation, of the Church as a whole.

Now, brethren and sisters in Christ, I sincerely hope that no one who reads these articles or even these lines will make the fatal mistake that untold thousands are making; namely, to believe that, whosoever is converted, regenerated, born of the spirit, in this pentecostal age, the Holy Ghost dispensation of the Church, have, as a natural consequence, entered into the Holy Ghost dispensation of the individual soul; and therefore are cleansed from all sin, and need nothing more in the way of an instantaneous, transforming work of grace, but only need to grow and develop the soul in its present state of grace; when in fact the last, and, according to the scriptures, by far the greatest and richest dispensation of grace, is yet to be believed in, sought after and obtained in order to complete the Christian character and fulfil the will of God through Christ Jesus concerning us.

Now, there is a fundamental truth revealed in this drama of Noah's three sons I would like for you to see and ponder well. It is this fact, that while the CHURCH was in the Father's dispensation, reaching from Adam unto the birth of Christ, she had almost NO evangelical power; that is, power to preach, teach and propagate the word of God so as to lead souls to the realization of salvation in their hearts.

Bear in mind that the Hamites represented the individual, or the church, in the Father's dispensation, destitute of evangelical power.

Then I would have you to note the fact that the CHURCH, in the Son's dispensation, reaching from the birth of Christ until the day of Pentecost,

was in the Father's dispensation, reaching from Adam unto the birth of Christ, she had almost NO evangelical power; that is, power to preach, teach and propagate the word of God so as to lead souls to the realization of salvation in their hearts.

Then I would have you to note the fact that the CHURCH, in the Son's dispensation, reaching from the birth of Christ until the day of Pentecost,

was in the Father's dispensation, reaching from Adam unto the birth of Christ, she had almost NO evangelical power; that is, power to preach, teach and propagate the word of God so as to lead souls to the realization of salvation in their hearts.

Then I would have you to note the fact that the CHURCH, in the Son's dispensation, reaching from the birth of Christ until the day of Pentecost,

was in the Father's dispensation, reaching from Adam unto the birth of Christ, she had almost NO evangelical power; that is, power to preach, teach and propagate the word of God so as to lead souls to the realization of salvation in their hearts.

Then I would have you to note the fact that the CHURCH, in the Son's dispensation, reaching from the birth of Christ until the day of Pentecost,

was in the Father's dispensation, reaching from Adam unto the birth of Christ, she had almost NO evangelical power; that is, power to preach, teach and propagate the word of God so as to lead souls to the realization of salvation in their hearts.

Then I would have you to note the fact that the CHURCH, in the Son's dispensation, reaching from the birth of Christ until the day of Pentecost,

was in the Father's dispensation, reaching from Adam unto the birth of Christ, she had almost NO evangelical power; that is, power to preach, teach and propagate the word of God so as to lead souls to the realization of salvation in their hearts.

Then I would have you to note the fact that the CHURCH, in the Son's dispensation, reaching from the birth of Christ until the day of Pentecost,

notwithstanding that Jesus and His twelve Apostles and also the other seventy, were constantly preaching the gospel for one, two and three years, but their evangelical power was quite limited, for they only won about five hundred souls that gave evidence of a faith unto salvation. Note that Shem and his posterity—the Israelites, the Jews, represented the Son's dispensation.

Now I am ready for you to look at the CHURCH—the faithful few who believed in the promise of the Father; who were neither afraid nor ashamed of the doctrine and experience of sanctification to be wrought in their hearts by the baptism of the Holy Ghost and fire, in answer to a faith therein, that humbly and diligently and persistently sought thereafter until the fire fell, and they were truly sanctified and filled with the Holy Ghost.

Thus the CHURCH entered the THIRD and last dispensation, that of the Holy Ghost, and received the evangelical power that Jesus had promised her.

Now note that she had become the purified, blood-washed, snow-white, spotless bride of Jesus Christ which through all the ages had been represented by Japheth and his pure white Caucasian children ever since Noah said "God shall enlarge Japheth, and He shall dwell in the tents of Shem." That is, the gospel, Holy Ghost sanctified church, should take the place of the Jewish, merely regenerate church.

Now, when the little church received her pentecostal baptism, she received a "DOUBLE PORTION" of evangelical power, and Peter, full of the Holy Ghost, preached a short sermon and before the sun went down on that memorable day, there were three thousand souls converted, and it is written that the Lord added to them DAILY; and that they were about five thousand in number in a few days.

The point we would like to make here, is that if the churches would have evangelical power that will count, they MUST go into the THIRD dispensation, and be sanctified and filled with the Holy Ghost.

Now let us apply these great and fundamental principles to the individual; namely, that as long as we remain in the Father's dispensation of our soul, we have practically no evangelical power for the leading of souls to God. What I mean is, that so long as a person is not regenerate, justified, born of the spirit, no matter how moral they may try to live, or how well educated, or how firmly they may believe in the verity and virtues of the Christian religion, if they have not passed into the dispensation of the Son, by way of the new birth, they are destitute of

power to lead a soul into the way of everlasting life. They are not qualified to be a true father, nor a true mother. Not prepared to teach their own children in the way of eternal life; nor to teach Sunday school classes, nor lead a prayer meeting. Neither are such in any sense capable to teach or preach or interpret or expound the word of God. The unconverted are Hamites, walking in darkness, and cannot lead others into the light of life.

But if one is truly born of the spirit, they are properly in the Son's dispensation, and therefore have a MINOR gift of evangelical power, which is limited, and their field is restricted to the dispensation in which they live.

However, when the true believer of a full salvation has met the terms, namely, absolute surrender to the will of God and a supreme consecration to His service, and exercises an unwavering faith in "the promise of the Father," which is the anointing baptism of the spirit, believing "He is faithful that promised," the Holy Ghost will surely come, and will not delay; and will purge and purify and fill the soul with evangelical power, increasing the capacity to lead sinners to salvation by tenfold and adding the evangelical power to lead others in the experience of sanctification All to the honor and glory of God the Father, Son and Holy Ghost.

Now, as this will be my last article on the dramatic symbol of Noah's three sons, I want to say that these symbolic characters continue with us today, and will be with us until the last trump shall sound and all nations shall stand before the judgement seat of Christ. That is, Ham and his posterity will be represented by the negro, and Shem and his pos-

terity will be represented by the Jew, and Japheth and his posterity will be represented by the Caucasian pure white man, with the everlasting gospel in his left hand, and his right stretched out to the starving, perishing nations of earth, saying, "He everyone that thirsteth, come ye to the waters, yea, come; buy wine and milk without money and without price. And the spirit and the bride say come; and let him that is athirst come; and whosoever will, let him take of the water of life freely."

Under the providence of God, we purpose to continue these articles on other dramatic symbols of scripture.

FARMERS' AND STOCKMAN'S EDUCATIONAL CONFERENCE

The printed report of the Farmers' and Stockman's Educational Conference held at the A. and M. College December 4th. to 6th. has been handed to the Anvil Herald by Mr. J. P. Nixon, who attended the meeting as a delegate from Medina County. Declarations for more liberal support of the rural school system of the state; enlargement of our facilities for agricultural training, including the establishment of junior agricultural colleges articulated with the present A. and M. College system; more liberal support of the present A. and M. College system and other institutions of higher learning, and opposition to any effort to set the interests of the rural and city schools against the interests of the Institution of higher learning are the principal features of the report.

The meeting was called through the instigation of Mr. Willoby Turner, a farmer of Granger, Texas, and 121 farmers and stockmen representing 74 counties responded to the invitation. While at College Station, the delegates made a very thorough investigation of the work of the A. and M. College and made specific recommendations as to the improvement of the work of that Institution.

Mr. Nixon states that it was a most profitable meeting, and he is anxious that the citizens of Medina County acquaint themselves with the findings of this conference. Mr. Nixon has several copies of the report that he will be glad to furnish those who are interested. Additional copies may be obtained from Mr. Harry Williams, Dallas Texas, who was elected permanent secretary of the conference.

Catarrahal Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrahal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the blood on the Mucous Surfaces of the System. Catarrahal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the Mucous Surface.

TO HOLDERS OF VICTORY NOTES

Holders of called Victory Notes,
due for presentation December 15,
should now make arrangements with
their bankers to surrender these se-
curities, it is pointed out by Dinsmore
W. Hume, Federal director of sav-
ings, headquarters in the Federal Re-
serve Bank here.

The 4 3-4 Victory Notes of the
series A to F, inclusive, are called
by the Treasury Department for pay-
ment December 15. The cash may
be had on these, or the proceeds may
be invested in Treasury Savings Cer-
tificates, issued in \$1,000, \$100 and
\$25 denominations, maturing five
years from date, registered as to
principal and interest, and bearing
a total of about 21.95 per cent in
five years. Uncalled Victory Notes
—those due in May 1923—may also
be presented now for investment of
the proceeds in Treasury Savings
Certificates.

In 1919, when Victory Notes were
sold by the Government, the people
of this reserve district subscribed
for \$87,504,250. They were bought
by 3.5 per cent of the district's
population.

All 1918 Series War Savings
Stamps are due for payment Janu-
ary 1, Mr. Hume said. These may
be surrendered now at banks and
postoffices. When surrendered, new
Treasury Savings Certificates will be
issued now or cash will be paid Janu-
ary 1. Most holders, surrender re-
cords show, desire to continue hold-
ing Government securities and are
taking Treasury Savings Certificates
in exchange. Holders are requested
to consult their postmasters.

"This money represents saved
money—in many cases, money that
was gotten together and invested
after rigid self-denial. The safe re-
investment of the money will benefit
the individual, community and na-
tion. Persons who will receive mon-
ey from Victory Notes or 1918 War
Savings Stamps are urged to investi-
gate very carefully any 'investment'
scheme that may be brought to them.
With all of this money coming due,
a great many sharpers are abroad in
the land. It is better to be safe
than sorry. Consult your banker
and postmaster," Mr. Hume said.

That Dull Aching

Don't worry and complain about a
bad back. Get rid of it! For weak
kidneys, lame and aching backs, your
neighbors recommend Doan's Kidney
Pills. Ask your neighbor!

F. H. Bohlen, proprietor of a re-
pair shop, Hondo, says: "I always
use Doan's Kidney Pills when my
back bothers me and they never fail
to help me. My back ached and I had
a dull pain in my kidneys. I was
often dizzy and black specks appear-
ed before my eyes. My kidneys act-
ed irregularly and the secretions were
highly colored and burned in passage.
I used Doan's Kidney Pills and they
cured the attack. My back is now
as strong as iron and my kidneys act
regularly. I think the world of Doan's
Kidney Pills."

THE HOLIDAYS

As usual the holidays have been
marked by many social functions in
Hondo. Almost every church, lodge,
club and society has had some kind
of a special program or entertainment
during the week not to mention the
numerous private social events, special
features at the picture show and
other numerous affairs. Several
public Christmas trees were given
and many private homes had family
trees. It would have taxed the re-
portorial staff of a city daily to have
kept up with all of these functions,
and not being able to handle them all
in detail as their relative impor-
tance would merit, we are passing
them all up with this brief general
mention.

Once again—and just at this point-
let us repeat that we must depend up-
on those directly interested in and
participating in social, club, lodge,
and church functions handing us in
written reports if such functions are
to receive more than brief general
mention. We are always glad to
print full reports when handed in.

There has been much visiting a-
mong our people and numerous home
comings of former Hondo people, and
our absent boys and girls contributed
more than any other one thing to the
general enjoyment of this joyful oc-
casion.

—[Two for One]—
JOE JUNGMAN KILLED.

Joe Jungman, a former Castroville
boy and a brother of our fellow
townsmen, Pete Jungman and Ser-
aphin Jungman, was killed on Wed-
nesday night of last week by three
robbers who attacked him at his
place of business in Los Angeles,
California. These meagre details
came in a telegram to relatives here
from Mrs. Jungman, the widow of the
unfortunate man.

The deceased was born at Castro-
ville October 26, 1860, and was a son
of the late Pete Jungman and wife
of Castroville. He went west many
years ago and has prospered in his
western home. He is survived by an
aged mother, several brothers and
two sisters in this county.

—[Two for One]—

It is a long while since theatre-
goers have been offered a more inter-
esting combination than John Barry-
more and "Sherlock Holmes." Mr.
Barrymore has the title role in the
Goldwyn picture based upon the ex-
ploits of Conan Doyle's world famous
detective, "Sherlock Holmes" will
be played at the STAR theatre on
Dec. 31st. for 2 days. The story in-
troducing the most renowned detec-
tive of all time is taken from Conan
Doyle's books and the play in which
William Gillette starred on the stage
a number of years ago.

Mr. and Mrs. Adolph Haby, and
Mrs. Wm. Burger and son, Ulbrich,
of Dunlay and Miss Mabel Zuberbue-
ler of Del Rio, were visitors in Hondo
yesterday and pleasant callers at
this office.

Mr. Barrymore stands in the fore-
front of American actors, both on the
stage and on the screen, and it is said
that he gives a wonderfully lifelike
portrayal of the great detective. The
popularity of Conan Doyle's fasci-
nating character is as general today
as when the "Sherlock Holmes" ex-
ploits were first offered to the public.
Supporting the star is one of the most
remarkable casts ever assembled for
a motion picture. Albert Parker
directed.

I am but one,
But I am one;
I can not do everything,
But I can do something;
What I can do I ought to do,
And what I ought to do,
God helping me, I will do.
—Edward Everett Hale.

Be noble! And the nobleness that
lies in other men, sleeping but never
dead, will rise in majesty to meet
thine own.—Lowell.
